

GIRFEC Principles

Strength Based

Child at centre

Wellbeing

Right support at right time

Working Together

National Practice Model

No Order or Minimum Intervention Principle

Enshrined in legislation in 1995 Act - foundation of approach in Scotland

State should not intervene unless it is necessary to do some, and that intervention should be the least necessary to achieve the safety and wellbeing of the child

Social Work Scotland

Mansfield Traquair Centre

15 Mansfield Place

Edinburgh
