

## Minimum Dataset Indicators for Child Protection Committees

<b>Involved in child protection processes</b>	
1a	Number of children subject to initial and pre-birth child protection case conferences
1b	Number of initial and pre-birth child protection case conferences
2	Conversion rate (%) of children subject to initial and pre-birth child protection case conferences registered on child protection register
3	Number of new child protection registrations
4	Number of child protection re-registrations (within 3, 6, 12 and 24 months of deregistration)
5	Number of children on the child protection register
6	Number of children de-registered from the child protection register
<b>Characteristics of our vulnerable children and young people population</b>	
7	Age of children placed on the child protection register
8	Concerns recorded for children placed on the child protection register at a pre-birth or initial conference
<b>Known to other services and processes</b>	
9a	Number of children and young people referred to the Children's Reporter on offence grounds
9b	Number of children and young people referred to the Children's Reporter on non-offence grounds
10	Number of children and young people referred to the Children's Reporter from a child protection case conference
11	Number of children and young people with a child protection order granted
<b>Assessing local response and child protection processes</b>	
12	Percentage of initial child protection case conferences held no later than 21 calendar days from notification of concern
13	Percentage of pre-birth child protection case conferences taking place no later than at 28 weeks pregnancy or, in the case of late notification of pregnancy, as soon as possible after the notification of concern and in any case within 21 calendar days
14	Percentage of initial core group meetings held within 15 calendar days of the initial child protection case conference
15	Percentage of first review child protection case conferences held within 3 months of the initial child protection case conference
16a	Percentage of parental attendance at initial child protection case conferences
16b	Percentage of parental attendance at initial core group meetings
17	Percentage of Reporter's decisions made within 50 working days of referral receipt
